

Bignonia capreolata 'Jekyll'

crossvine

A beautiful, orange flowered form of our native crossvine. Attracts hummingbirds.

Mature Height	15'-25'
Leaf Color	Green
Fall Color	Evergreen
Plant Habit	Climbig
Flower Color	Orange

NATIVE

Type	Vine
Origin	Eastern US
Zone	6-9
Size	2 Gallon
Location	6
Price	\$20.00

Gelsemium sempervirens

Carolina jessamine

The state flower of South Carolina, this beautiful glossy foliaged vine holds aromatic, yellow blossoms.

Mature Height	10'-20'
Leaf Color	Green
Fall Color	Evergreen
Plant Habit	Climbing
Flower Color	Yellow

NATIVE

Type	Vine
Origin	Eastern US
Zone	7-8
Size	3 Gallon
Location	6
Price	\$16.00

Lonicera sempervirens 'Honey Coral'

coral honeysuckle

Coral honeysuckle is a vigorous, deciduous, twining vine which typically grows 10'-15' and is one of the showiest of the vining honeysuckles.

Mature Height	10'-20'
Leaf Color	Green
Fall Color	Semi-evergreen
Plant Habit	Climbing
Flower Color	Red

NATIVE

Type	Vine
Origin	Eastern US
Zone	6-9
Size	2 Gallon
Location	6
Price	\$20.00

Wisteria frutescens

American wisteria

The well behaved native Wisteria. Flowering occurs in spring with purple racemes of slightly fragrant flowers.

Mature Height	15'-30'
Leaf Color	Green
Fall Color	Yellow
Plant Habit	Climbing
Flower Color	Purple

NATIVE

Type	Vine
Origin	southeastern US
Zone	5-9
Size	1 Gallon
Location	7
Price	\$12.00

Acer leucoderme

chalk maple

A native understory southern maple with chalky white bark and brilliant fall colors. So...why did we need Japanese maples?

Mature Height	25'
Leaf Color	Green
Fall Color	Yellow/Red
Plant Habit	Upright
Flower Color	Insignificant

NATIVE

Type	Deciduous Tree
Origin	Eastern US
Zone	5-9
Size	1 Gallon
Location	11
Price	\$16.00

Aesculus parviflora

bottlebrush buckeye

An under appreciated native with beautiful bottlebrush-like spikes of white flowers in mid-summer.

Mature Height	10'
Leaf Color	Green
Fall Color	Yellow
Plant Habit	Upright
Flower Color	White

NATIVE

Type	Deciduous Shrub
Origin	Eastern US
Zone	4-8(9)
Size	1 Gallon
Location	1
Price	\$14.00

Agarista populifolia

Florida hobblebush

Formerly Leucothoe populifolia, Agarista holds fragrant cream flowers in May and June over glossy green foliage. Excellent choice for moist areas.

Mature Height	4'
Leaf Color	Green
Fall Color	Evergreen
Plant Habit	Arching
Flower Color	Cream white

NATIVE

Type	Evergreen Shrub
Origin	Eastern US
Zone	6-10
Size	3 Gallon
Location	1
Price	\$20.00

Amelanchier canadensis

Serviceberry

Silvery-gray striped bark, clean foliage, white flowers and sweet, edible fruits make this a specimen tree for four seasons of interest.

Mature Height	20'
Leaf Color	Green
Fall Color	Gold
Plant Habit	Upright
Flower Color	White

NATIVE

Type	Deciduous Tree
Origin	Eastern US
Zone	4-9
Size	7 Gallon
Location	1
Price	\$40.00

Aronia arbutifolia

red chokeberry

A deciduous multi-stemmed shrub found in both wet and dry thickets along the east coast. Clusters of white to light pink flowers appear in Spring which give rise to clusters of glossy red fruit. Fall color is a striking red.

Mature Height	6'-10'
Leaf Color	Green
Fall Color	Red
Plant Habit	Vase
Flower Color	White

NATIVE

Type	Deciduous Shrub
Origin	Eastern US
Zone	4-9
Size	3 Gallon
Location	11
Price	\$22.00

Asimina triloba

pawpaw

A great tree producing the largest edible fruit native to North America. The pawpaw needs a partner to cross pollinate with in order to produce its tropical tasting fruit.

Mature Height	15'-20'
Leaf Color	Green
Fall Color	Yellow
Plant Habit	Upright
Flower Color	Deep purple

NATIVE

Type	Deciduous Tree
Origin	Eastern US
Zone	6-8
Size	3 Gallon
Location	11
Price	\$28.00

Betula nigra

river birch

Perhaps the most culturally adaptable of all birches. The river birch tolerates heavy clay soils, dry conditions and poor drainage but is optimally sited in a moist, acidic, fertile soils. Avoid spring pruning as this encourages dripping sap.

Mature Height	40'-60'
Leaf Color	Green
Fall Color	Yellow
Plant Habit	Upright
Flower Color	Insignificant

NATIVE

Type	Deciduous Tree
Origin	Eastern US
Zone	5-10
Size	3 Gallon
Location	11
Price	\$18.00

Calycanthus floridus

Common Sweetshrub

A fantastic native plant that is found throughout the upstate of South Carolina. Dark green foliage and fragrant, burgandy flowers. Fragrance may vary from plant to plant so wise gardeners always buy Sweetshrub while in bloom.

Mature Height	6'-10'
Leaf Color	Green
Fall Color	Yellow
Plant Habit	Upright
Flower Color	Burgandy

NATIVE

Type	Deciduous Shrub
Origin	Eastern US
Zone	4-9
Size	3 Gallon
Location	1
Price	\$16.00

Ceanothus americanus

New Jersey tea

Easily grown in average, dry to medium, well-drained soils in full sun to part shade. Best in sandy loams or rocky soils with good drainage.

Mature Height	3'-4'
Leaf Color	Green
Fall Color	Yellow
Plant Habit	Rounded
Flower Color	White

NATIVE

Type	Deciduous Shrub
Origin	Eastern US
Zone	4-8
Size	3 Gallon
Location	12
Price	\$18.00

Cephalanthus occidentalis

buttonbush

The showy, dense spherical flowerheads are very attractive to bees and butterflies and resemble pincushions. This handsome ornamental is suited to wet soils and often has multiple twisted trunks.

Mature Height	5'-12'
Leaf Color	Green
Fall Color	Non-showy
Plant Habit	Rounded
Flower Color	White

NATIVE

Type	Deciduous Shrub
Origin	Eastern US
Zone	5-9
Size	1 Gallon
Location	12
Price	\$12.00

Clethra alnifolia 'Ruby Spice'

coastal sweetpepperbush

A selection from Roslyn Nursery in New York. This is a sport of 'Pink Spires' with intense ruby flowers that do not fade. Fragrant flowers last from July through August.

Mature Height **6'-8'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **Pink**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **3-9**
Size **3 Gallon**
Location **2**
Price **\$22.00**

Clethra tomentosa 'Cottendale'

wooly sweetpepperbush

Wooly shoots appear as growth emerges in the spring and white, fragrant blooms appear in late summer.

Mature Height **6'-8'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **4-8**
Size **1 Gallon**
Location **2**
Price **\$12.00**

Cornus amomum

silky dogwood

Grow in average, medium to wet, well-drained soils in full sun to part shade. Prefers moist, organically rich, slightly acidic soils in part shade. Tolerates close to full shade.

Mature Height **6'-12'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Tree**
Origin **Eastern US**
Zone **5-8**
Size **3 Gallon**
Location **12**
Price **\$20.00**

Cornus florida 'Cherokee Princess'

dogwood

Mature Height **15'-30'**
Leaf Color **Green**
Fall Color **Red**
Plant Habit **Vase**
Flower Color **White**

NATIVE

Type **Deciduous Tree**
Origin **Eastern US**
Zone **5-9**
Size **3 Gallon**
Location **2**
Price **\$34.00**

Corylus americana

American Filibert

Native to eastern United States, the American Filibert is grown as an ornamental as well as supporting wildlife populations. Showy male catkins appear very early in the spring before the foliage emerges.

Mature Height **10'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **Yellow**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **4-9**
Size **1 Gallon**
Location **12**
Price **\$12.00**

Cupressus arizonica 'Carolina Sapphire'

Arizona cypress

Mature Height **30'**
Leaf Color **Bluish green**
Fall Color **Evergreen**
Plant Habit **30'- 40'**
Flower Color **None**

NATIVE

Type **Evergreen Tree**
Origin **Southwest US**
Zone **6-9**
Size **1 Gallon**
Location **13**
Price **\$12.00**

Diospyros virginiana

persimmon

Easily grown in average, dry to medium, well-drained soils in full sun to part shade. Somewhat wide range of soil tolerance, but prefers moist, sandy soils. Drought tolerant.

Mature Height **30'-50'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Tree**
Origin **Central and Eastern US**
Zone **4-9**
Size **3 Gallon**
Location **13**
Price **\$30.00**

Fagus grandifolia

American beech

A widely known native hardwood commonly associated with climax forests on the east coast.

Mature Height **50'-80'**
Leaf Color **Green**
Fall Color **Golden**
Plant Habit **Upright**
Flower Color **Insignificant**

NATIVE

Type **Deciduous Tree**
Origin **Eastern US**
Zone **3-9**
Size **3 Gallon**
Location **13**
Price **\$34.00**

Fothergilla gardenii

dwarf witchalder

A small refined shrub with fragrant white bottlebrush-like flowers appearing prior to the foliage. Brilliant orange, red and yellow fall color.

Mature Height **4'**
Leaf Color **Green**
Fall Color **Bright Orange**
Plant Habit **Rounded**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **5-8**
Size **1 Gallon**
Location **14**
Price **\$16.00**

Halesia carolina 'Savannah River'

Carolina silverbell

A beautiful and under appreciated native understory tree with white bell-shaped flowers emerging with the foliage.

Mature Height **30'-40'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Tree**
Origin **Eastern US**
Zone **4-8(9)**
Size **3 Gallon**
Location **2**
Price **\$30.00**

Hamamelis virginiana

witch hazel

This understory, large shrub puts on a notable and very beautiful show of yellow autumn flowers after its display of yellow fall foliage.

Mature Height **10'-15'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Broad**
Flower Color **Yellow**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **4-8**
Size **3 Gallon**
Location **14**
Price **\$16.00**

Hydrangea arborescens 'Annabelle'

wild hydrangea

A widely distributed, understory shrub with white blooms in summer.

Mature Height **3'-4'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Round**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **4-8**
Size **3 Gallon**
Location **3**
Price **\$22.00**

Hydrangea quercifolia

Oakleaf hydrangea

Mature Height
Leaf Color
Fall Color
Plant Habit
Flower Color

NATIVE

Type **Deciduous Shrub**
Origin
Zone
Size **3 Gallon**
Location **3**
Price **\$22.00**

Ilex verticillata 'Jim Dandy'

winterberry holly

A pint-sized male perfect for tucking away in a corner. He'll come off the shelf to pollinate many including 'After Glow', 'Aurantiaca', 'Cacapon' and 'Oosterwijk'.

Mature Height **5'**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **3-9**
Size **3 Gallon**
Location **14**
Price **\$20.00**

Ilex verticillata 'Southern Gentleman'		NATIVE	Type	Deciduous Shrub
winterberry	Mature Height	6'-8'	Origin	Eastern US
A dark green, tall and handsome male winterberry holly seeking companionship with the lovely 'Sparkleberry' and vibrant 'Winter Red'.	Leaf Color	Green	Zone	3-9
	Fall Color	Non-showy	Size	3 Gallon
	Plant Habit	Upright	Location	14
	Flower Color	White	Price	\$20.00

Ilex verticillata 'Winter Gold'		NATIVE	Type	Deciduous Shrub
winterberry holly	Mature Height	6'-8'	Origin	Eastern US
A gold berried sport of 'Winter Red' pollinated by 'Southern Gentleman'.	Leaf Color	Green	Zone	3-9
	Fall Color	Non-showy	Size	3 Gallon
	Plant Habit	Upright	Location	15
	Flower Color	White	Price	\$20.00

Ilex verticillata 'Winter Red'		NATIVE	Type	Deciduous Shrub
winterberry	Mature Height	6'-8'	Origin	Eastern US
A heavy fruiting cultivar with bright red berries and superior berry retention through the winter. Favors 'Southern Gentlemen' for pollination.	Leaf Color	Green	Zone	3-9
	Fall Color	Non-showy	Size	3 Gallon
	Plant Habit	Upright	Location	15
	Flower Color	White	Price	\$20.00

Illicium floridanum		NATIVE	Type	Evergreen Shrub
Florida anise	Mature Height	6'-10'	Origin	Southeastern US
Native evergreen shrub for the shade garden. Maroon flowers emerge in April and May. Foliage, stems and blooms have a strong licorice scent.	Leaf Color	Green	Zone	6-9
	Fall Color	Evergreen	Size	3 Gallon
	Plant Habit	Upright	Location	3
	Flower Color	Maroon	Price	\$22.00

Lindera benzoin		NATIVE	Type	Deciduous Shrub
spicebush	Mature Height	6'-12'	Origin	Eastern US
Perfect for the shrub border or woodland garden. Attractive, yellow flowers early in the year with foliage turning yellow in the fall. Red fruit appear in September.	Leaf Color	Green	Zone	4-9
	Fall Color	Yellow	Size	3 Gallon
	Plant Habit	Upright	Location	15
	Flower Color	Yellow	Price	\$20.00

Liriodendron tulipifera		NATIVE	Type	Deciduous Tree
tuliptree	Mature Height	60'-90'	Origin	Eastern US
Best grown in moist, organically rich, well-drained loams in full sun. Tolerates part shade.	Leaf Color	Green	Zone	4-9
	Fall Color	Yellow	Size	1 Gallon
	Plant Habit	Upright	Location	15
	Flower Color	Yellow	Price	\$12.00

Magnolia ashei		NATIVE	Type	Deciduous Tree
Ashe magnolia	Mature Height	15'-30'	Origin	
Large, light-green glossy leaves can reach two feet in length. Large, white flowers emerge in early summer with hints of jasmine and citrus aromas.	Leaf Color	Green	Zone	5-9
	Fall Color	Yellow	Size	1 Gallon
	Plant Habit	Vase	Location	16
	Flower Color	White	Price	\$16.00

Magnolia grandiflora 'Kay Parris'

southern magnolia

A beautiful compact Magnolia. It's extremely glossy, bright green leaves with deep orange-brown fuzzy undersides and long flowering season make this a standout. Fast, upright growth.

Mature Height **20'**
Leaf Color **Green**
Fall Color **Evergreen**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Evergreen Tree**
Origin **Southeastern US**
Zone **6-9**
Size **3 Gallon**
Location **16**
Price **\$30.00**

Magnolia tripetala

umbrella magnolia

This Southern native has impressively large leaves. These leaves are its most notable feature, and it makes an interesting medium-sized deciduous tree.

Mature Height **15'-20'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Tree**
Origin **Southeastern US**
Zone **5-9**
Size **3 Gallon**
Location **16**
Price **\$22.00**

Oxydendron arboreum

sourwood

Truly an all season ornamental. Between the beautiful, deeply furrowed grey bark and the striking fall color, this native is hard to top! Unless your toppings are beautiful white chains of blossoms!!!

Mature Height **30'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Tree**
Origin **Eastern US**
Zone **4-9**
Size **3 Gallon**
Location **16**
Price **\$20.00**

Physocarpus opulifolius

common ninebark

Easily grown in average, dry to medium, well-drained soil in full sun to part shade. Tolerates wide range of soil conditions. Prune as needed immediately after bloom. Plants may be cut to the ground in winter to rejuvenate.

Mature Height **5'-8'**
Leaf Color **Green**
Fall Color **Red**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **2-8**
Size **3 Gallon**
Location **16**
Price **\$20.00**

Quercus alba

white oak

A true workhorse of the native forest. This is a substantial source of food and habitat for many species in our native ecosystem.

Mature Height **60'-100'**
Leaf Color **Green**
Fall Color **Red**
Plant Habit **Upright**
Flower Color **Non-showy**

NATIVE

Type **Deciduous Tree**
Origin **Eastern US**
Zone **4-9**
Size **1 Gallon**
Location **17**
Price **\$12.00**

Rhododendron austrinum

Florida azalea

A great native deciduous azalea with golden fragrant flowers in early spring.

Mature Height **10'-12'**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Upright**
Flower Color **Gold**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **6-9**
Size **7 Gallon**
Location **3**
Price **\$35.00**

Rhododendron calendulaceum

flame azalea

The flame azalea puts on a brilliant show of bright gold flowers. This native is butterfly-pollinated and is a sure crowd pleaser in the garden.

Mature Height **4'-10'**
Leaf Color **Green**
Fall Color **Yellow/Red**
Plant Habit **Upright**
Flower Color **Gold**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **5-7**
Size **3 Gallon**
Location **4**
Price **\$24.00**

Rhododendron canescens

mountain azalea

A striking native azalea with rose-pink blossoms opening with leaf emergence in the Spring.

Mature Height **10'-12'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **Rose/Pink**

NATIVE

Type **Deciduous Shrub**
Origin **Southeastern US**
Zone **6-9**
Size **3 Gallon**
Location **4**
Price **\$20.00**

Rhododendron serrulatum

hammocksweet azalea

A large growing native azalea with fragrant, white flowers that bloom much later in the year than most deciduous azaleas, sometimes persisting into late summer.

Mature Height **10'-15'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Vase**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **Southeastern US**
Zone **6-9**
Size **3 Gallon**
Location **4**
Price **\$20.00**

Rhododendron viscosum

swamp azalea

Swamp azalea produces numerous small, white flowers in mid-June that will perfume the summer air.

Mature Height **2'-8'**
Leaf Color **Green**
Fall Color **Burgundy**
Plant Habit **Upright**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **4-9**
Size **1 Gallon**
Location **4**
Price **\$12.00**

Rhus glabra

smooth sumac

An important pollen source for honeybees in early summer and an attractive native tree with large red flower spikes.

Mature Height **9'-15'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **Red**

NATIVE

Type **Deciduous Tree**
Origin **Eastern US**
Zone **3-9**
Size **1 Gallon**
Location **17**
Price **\$10.00**

Rosa carolina

Carolina rose

A native shrub that tolerates both wet and dry conditions with large, single, pink flowers in May.

Mature Height **3'-6'**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Spreading**
Flower Color **Pink**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **4-9**
Size **3 Gallon**
Location **17**
Price **\$20.00**

Rubus species 'Caroline'

raspberry

A selection of fall-bearing raspberry with root rot resistance and excellent yield.

Mature Height **3'-4'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Mounding**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **hybrid of North America**
Zone **4-7**
Size **1 Gallon**
Location **20**
Price **\$12.00**

Spiraea alba var. latifolia

white meadowsweet

A mounded, 3'-6' shrub with numerous, fine-textured, erect, unbranched stems. The broadly oblong leaves are shiny-green, turning golden-yellow in fall. Tiny white or pinkish flowers are arranged in elongated, terminal spikes.

Mature Height **3'-6'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Rounded**
Flower Color **White**

NATIVE

Type **Deciduous Shrub**
Origin **Eastern US**
Zone **4-8**
Size **1 Gallon**
Location **17**
Price **\$12.00**

Taxodium ascendens		NATIVE	Type	Deciduous Tree
pond cypress	Mature Height	60'	Origin	Southeastern US
A deciduous conifer found in swampy areas along the southeastern coast. The pond cypress is suprisingly adaptable to landscape use.	Leaf Color	Green	Zone	5-9
	Fall Color	yellow	Size	7 Gallon
	Plant Habit	Upright	Location	18
	Flower Color	None	Price	\$35.00

Vaccinium ashei 'Delite'		NATIVE	Type	Deciduous Shrub
rabbiteye blueberry	Mature Height	6'-8'	Origin	Eastern US
Medium to large, mid-season fruit that are sometimes reddish-blue when ripe.	Leaf Color	Green	Zone	7-9
	Fall Color	Non-showy	Size	3 Gallon
	Plant Habit	Upright	Location	18
	Flower Color	White	Price	\$20.00

Vaccinium ashei 'Tifblue'		NATIVE	Type	Deciduous Shrub
rabbiteye blueberry	Mature Height	6'-12'	Origin	Eastern US
A great selection for the southern climate, 'Tifblue' produces large, flavorful berries in mid-late season.	Leaf Color	Green	Zone	3-7(8)
	Fall Color	Yellow/Orange/Red	Size	3 Gallon
	Plant Habit	Upright	Location	18
	Flower Color	White	Price	\$20.00

Viburnum nudum var. cassinoides		NATIVE	Type	Deciduous Shrub
withe-rod	Mature Height	5'-12'	Origin	Eastern US
Viburnum cassinoides is commonly called withe-rod viburnum. Withe (from Old English) means flexible twig and rod means slender shoot or stem.	Leaf Color	Green	Zone	3-8
	Fall Color	Red	Size	3 Gallon
	Plant Habit	Upright	Location	18
	Flower Color	White	Price	\$20.00

Ampelaster carolinianus		NATIVE	Type	Perennial
Carolina climbing aster	Mature Height	10'-15'	Origin	Southeastern US
A perennial vine with abundant pale purple flowers beginning in late October.	Leaf Color	Green	Zone	6-9
	Fall Color	Yellow	Size	1 Gallon
	Plant Habit	Climbing	Location	19
	Flower Color	Pale Purple	Price	\$10.00

Amsonia hubrectii		NATIVE	Type	Perennial
Hubricht's bluestar	Mature Height	24"-30"	Origin	United States
Light blue, star-shaped flowers are held in terminal panicles above alternate leaves.	Leaf Color	Green	Zone	5-9
	Fall Color	Yellow	Size	1 Gallon
	Plant Habit	Rounded	Location	19
	Flower Color	Pale Blue	Price	\$8.00

Chrysogonum virginianum		NATIVE	Type	Perennial
green and gold	Mature Height	6"	Origin	Eastern US
A native semi-evergreen groundcover with bright yellow flowers in late Spring.	Leaf Color	Green	Zone	5-9
	Fall Color	Non-showy	Size	1 Gallon
	Plant Habit	Spreading	Location	5
	Flower Color	Yellow	Price	\$8.00

Clinopodium georgianum x ashei

Georgia savory

Mature Height **18"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Clumping**
Flower Color **Lavender**

NATIVE

Type **Perennial**
Origin **Southeast US**
Zone **6-9**
Size **1 Gallon**
Location **5**
Price **\$8.00**

Coreopsis grandiflora

largeflower tickseed

A consistent bloomer from early summer until fall, this is a great plant for the pollinator border.

Mature Height **24"-30"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Spreading**
Flower Color **Yellow**

NATIVE

Type **Perennial**
Origin **Eastern US**
Zone **4-9**
Size **1 Gallon**
Location **19**
Price **\$8.00**

Erythrina herbacea

coralbean

A native to the South Carolina coast, this shrub can be found in sandy soils and pinelands.

Mature Height **3'-4'**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **Red**

NATIVE

Type **Perennial**
Origin **Southeastern US**
Zone **8-11**
Size **1 Gallon**
Location **13**
Price **\$10.00**

Helianthus angustifolius

swamp sunflower

Tolerant of wet or dry conditions. Large yellow flowers in late summer.

Mature Height **48"-72"**
Leaf Color **Dark Green**
Fall Color **Non-showy**
Plant Habit **Upright**
Flower Color **Yellow**

NATIVE

Type **Perennial**
Origin **Eastern US**
Zone **7-10**
Size **1 Gallon**
Location **19**
Price **\$10.00**

Iris virginica 'Contraband Girl'

Best grown in wet, boggy, acidic, sandy soils in full sun. In the wild, the roots of this iris are often under water for protracted periods of time.

Mature Height **24"-36"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Clumping**
Flower Color **Blue**

NATIVE

Type **Perennial**
Origin **Eastern US**
Zone **5-9**
Size **1 Gallon**
Location **20**
Price **\$10.00**

Lobelia cardinalis

Cardinal flower

A favorite of hummingbirds and butterflies, the brilliant red flowers make this a great native addition to the perennial garden.

Mature Height **24"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Upright**
Flower Color **Red**

NATIVE

Type **Perennial**
Origin **Eastern US**
Zone **2-9**
Size **1 Gallon**
Location **20**
Price **\$8.00**

Mitchella repens

partidge berry

An herbaceous, woodland, mat-forming, evergreen perennial native to eastern North America. Most commonly known for its bright red berries that persist throughout winter.

Mature Height **3"**
Leaf Color **Green**
Fall Color **Green**
Plant Habit **Spreading**
Flower Color **White**

NATIVE

Type **Perennial**
Origin **North America**
Zone **3-8**
Size **1 Gallon**
Location **5**
Price **\$10.00**

Physostegia virginiana 'Eyeful Tower'

obedient plant

A tall selection of the native obedient plant, with 6'-7' flower spikes. Seeds are less viable so this selection tends to be less weedy than the species.

Mature Height **36"-48"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Clumping**
Flower Color **Pink**

NATIVE

Type **Perennial**
Origin **Southern US**
Zone **3-9**
Size **1 Gallon**
Location **20**
Price **\$10.00**

Rudbeckia fulgida 'Goldsturm'

black-eyed Susan

Perennial Plant of the Year recipient for 1999, this selection of black-eyed Susan is a great choice for borders and mass-plantings. Golden yellow flowers with black cones are excellent attractors for butterflies.

Mature Height **24"-36"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Upright**
Flower Color **Golden Yellow**

NATIVE

Type **Perennial**
Origin **Eastern US**
Zone **4-8**
Size **1 Gallon**
Location **20**
Price **\$10.00**

Stokesia laevis

Stoke's aster

An intriguing flower structure that makes for excellent cut flowers. Use in the middle of perennial plantings to add height and color in mid-summer.

Mature Height **36"-48"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Upright**
Flower Color **Pale blue**

NATIVE

Type **Perennial**
Origin **Southeastern US**
Zone **5-9**
Size **Quart**
Location **21**
Price **\$8.00**

Stokesia laevis 'Mary Gregory'

Stoke's Aster

An intriguing flower structure that makes for excellent cut flowers. Use in the middle of perennial plantings to add height and color in mid-summer.

Mature Height **36"-48"**
Leaf Color **Green**
Fall Color **non-showy**
Plant Habit **Upright**
Flower Color **white**

NATIVE

Type **Perennial**
Origin **Southeastern US**
Zone **5-9**
Size **1 Gallon**
Location **21**
Price **\$8.00**

Symphotrichum georgianum

Georgia aster

A gorgeous, late-blooming member of the aster family. Unusually, deep violet, narrow-petaled flowers are about two inches across and bloom in October.

Mature Height **36"-48"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Clumping**
Flower Color **Purple**

NATIVE

Type **Perennial**
Origin **Southeastern US**
Zone **5-9**
Size **1 Gallon**
Location **21**
Price **\$10.00**

Vernonia lettermanii 'Iron Butterfly'

narrowleaf ironweed

Vernonia lettermanii grows primarily on gravel sandbars in the drainage area of the Ouchita River in Arkansas. The species was named for George W. Letterman, a botanist from Allenton, Missouri.

Mature Height **30"-36"**
Leaf Color **Green**
Fall Color **Yellow**
Plant Habit **Upright**
Flower Color **Purple**

NATIVE

Type **Perennial**
Origin **Southeastern US**
Zone **4-9**
Size **1 Gallon**
Location **21**
Price **\$10.00**

Veronicastrum virginicum

Culver's root

A large, erect perennial found in open-woods, moist meadows and prairies. Flowers open from top-down in late spring to early summer.

Mature Height **48"-72"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Clumping**
Flower Color **White**

NATIVE

Type **Perennial**
Origin **Northeastern US**
Zone **3-8**
Size **1 Gallon**
Location **5**
Price **\$10.00**

Chasmanthium latifolium

Indian woodoats

Perhaps most distinguished by the flat drooping, seed heads which hang in terminal clusters on arching stems.

Mature Height **24"-48"**
Leaf Color **Green**
Fall Color **Brown**
Plant Habit **Clumping**
Flower Color **Brown**

NATIVE

Type **Grass**
Origin **Eastern US**
Zone **3-8**
Size **1 Gallon**
Location **22**
Price **\$10.00**

Muhlenbergia capillaris

pink muhly grass

This drought tolerant native grass has blue foliage during the growing season and spectacular pink plumes from September to November.

Mature Height **36"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Upright**
Flower Color **Pink**

NATIVE

Type **Grass**
Origin **Eastern US**
Zone **6-10**
Size **1 Gallon**
Location **22**
Price **\$8.00**

Osmunda cinnamomea

cinnamon fern

Cinnamon fern is a great, native, classic fern typically grown for foliage. It is a fairly large, majestic fern with cinnamon colored fronds in its center.

Mature Height **36"-48"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Upright**
Flower Color **none**

NATIVE

Type **Fern**
Origin **Eastern US**
Zone **3-10**
Size **1 Gallon**
Location **6**
Price **\$8.00**

Osmunda regalis

royal fern

A tall, deciduous fern occurring along streams and moist areas, forming clumps which can reach six feet tall with constant moisture.

Mature Height **24"-36"**
Leaf Color **Green**
Fall Color **Non-showy**
Plant Habit **Clumping**
Flower Color **None**

NATIVE

Type **Fern**
Origin **Southeastern US**
Zone **3-9**
Size **1 Gallon**
Location **6**
Price **\$8.00**
