

SCNPS Lowcountry Chapter

Community Project Funding Criteria

September 2015

Community projects must be directed at protecting, preserving, restoring, and/or educating the public about native plants or plant communities in the Lowcountry of South Carolina. Priority will be given to those projects involving public land, cultural significance, rare species, or the removal of invasive/exotic species.

Requirements: Applicants must demonstrate that they have means (manpower, time, etc.) available to complete the project. Funds must be used within one year of issuance. Awardees are required to submit a summary report, including photos and maps (if applicable) of the funded project upon completion (or within one year of the issue date). Applicants can only apply for one project per fiscal year. Community project funds are not to be used on personal property or for personal gain.

For consideration, **applicants must submit a one-page description of the project**, to include:

- a. Project contact (including phone number and email address)
- b. Location
- c. Budget
- d. Description of how this project benefits and/or incorporates native plants. Please include any educational or community involvement aspect of the project.
- e. Timeline for completion

Award amounts: Individual award amounts will not exceed \$500. The Lowcountry Chapter will only fund up to \$1000 in projects per fiscal year (July 1- June 30), up to \$500 in the Fall and another \$500 in the Spring. Awards will be given at the discretion of the Board of the Lowcountry Chapter of the SCNPS.

Application deadlines:

Fall proposals will be accepted until **October 1st** and awarded by Nov 1st.

Spring proposals will be accepted until **February 1st** and awarded by March 1st.
