

*Plant something
for us this year!*

NATIVE PLANT *plant sale!*

Native plants support native pollinators, significantly increase the number and species of breeding birds, and are adapted to local soil types and climate.

Cash, check, or credit card accepted.

Saturday,

9:00am-1:00pm **April 18**

New location!!!

Where?

Conestee Park, 840 Mauldin Road, Greenville — a three-minute drive south of I-85, near the baseball stadium (site of the old Braves stadium).

For more information, visit www.scnps.org

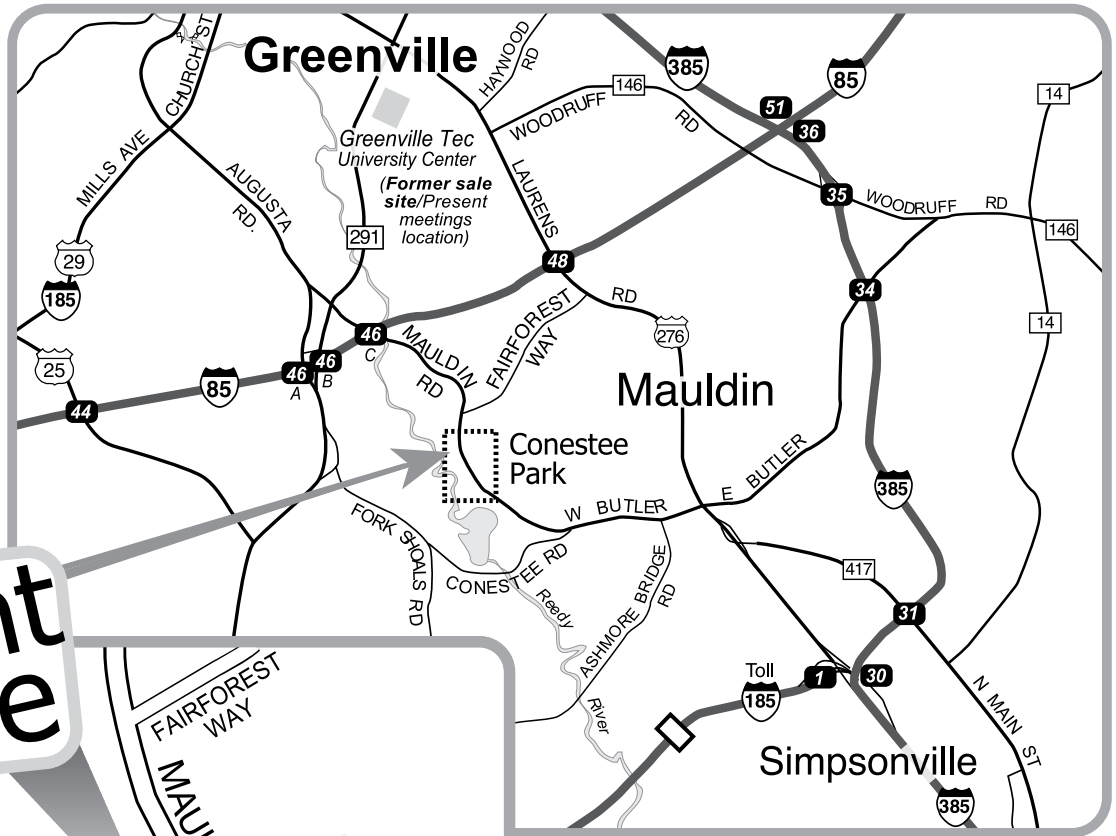

The SC Native Plant Society is a non-profit organization committed to the preservation and protection of native plant communities in South Carolina.
