

South Carolina Native Plant Society - Lowcountry Chapter

Community Grant Program: School Project Funding Criteria

August 2021

School projects must be directed at educating students about native plants or plant communities in the Lowcountry of South Carolina (specifically, we will only consider projects in Beaufort, Berkeley, Charleston, Colleton, Dorchester, Georgetown, and Horry counties). Priority will be given to those projects involving cultural significance, rare species, or the removal of invasive/exotic species.

Requirements:

- Applicants must demonstrate that they have means (manpower, time, etc.) available to complete and maintain the project.
- Applicants must provide documentation that permission has been granted by the school for the project.
- Funds must be used within one year of issuance. Awardees are required to provide proof of project completion, such as photos and maps (if applicable).
- After completion, a tour of the project site or a presentation about the project during a SCNPS Lowcountry monthly meeting (at The Citadel or online) is required.
- Applicants may only apply for one project per fiscal year.

For consideration, **applicants must submit a two-page description of the project** that includes

- a. Project contact (including phone number and email address)
- b. Location
- c. Budget (include any matching funds)
- d. Description of how this project benefits or demonstrates the value of native plants
- e. Discussion of whom the project will affect and how
- f. Timeline for completion
- g. Description of how the project will be sustained/maintained over time
- h. Letters of support from identified partners and/or landowners

Award amounts: Individual award amounts will not exceed \$500. Awards will be given at the discretion of the Board of the Lowcountry Chapter of the SCNPS.

Application deadlines:

Fall 2021 proposals will be accepted until **Friday, September 6th** and awarded by October 8th.
